Locate Management is offering the following 3-step UFL Certificate Program.

Locate Management Training Programs adheres to the [Underground Facility Locator Competency Cycle](#), which consists of three stages:

1. Knowledge development (preferably industry specific) course(s),
2. Industry specific field training (hands-on, OJT and practical), and
3. Industry specific final assessment (verification of knowledge and skills).

The Underground Facility Locator's Field Task Competency Manual (UFL Manual)

represents the third and final stage in the UFL Competency Cycle. The competency cycle, the UFL Certificate Program and the Manual is endorsed and published by the **Canadian Association of Pipeline and Utility Locating Contractors (CAPULC)**.

Underground Facility Locator Certificate Program

PRICES:

Step 1¹: Complete a Line Locator knowledge course(s)

Step 2²: Attend a 2-Day Locator Field training session*.

Step 3³: Initial Assessment(s), utilizing the UFL Manual⁴

\$800.00 per person (includes all 3-steps). CAPULC Members pay \$750.00 per person.

¹Step 1 must be completed before completing step 2.

²Step 2 training location must be selected upon registration. Hotel and meals not included. PPE must be worn.

³Step 3 is completed throughout the 2-days of field training. Students demonstrate tasks and procedures and the instructor signs-off in the student's manual upon completion.

⁴Step 3 each student receives a copy of the UFL manual and is assigned a unique UFL # that is tracked.
